

# Medical Astrology and Emotional Well-Being

Until the arrival of modern medicine, health and healing in folk medicine was guided by the concept of nature as ultimately self-regulating. Dis-ease was regarded as a cause of inner or outer imbalances which needed to be addressed to restore the well-being of body and soul.

During this workshop we will explore

- ❖ The code of Medical Astrology
- ❖ Key patterns and chart indicators to natal Medical Astrology
- ❖ The concept of imbalances, excess and deficiency as a cause for dis-ease
- ❖ The relationship between psycho-emotional needs and health from an astrological perspective

**Saturday, 26 August, 2017 10 am – 4 pm**

**Living Yoga Sanga, Mullumbimby;** suite 1, first floor  
63 Stuart Street. Entrance Stuart Street Foyer ; Please bring your birth charts along, or contact me for a print-out! \$ 80; conc \$70
