

Planets, Houses & Rulership: Energy Transmission in the Horoscope

Planetary Rulers are messengers; they can move the energy of another planet or a house to a different location in the chart. Exploring the ordering principle of rulership assists in a deeper understanding of the chart. It ties together the pieces of the puzzle in a coherent way.

We will be exploring:

- The Ascendant, its theme and the ruler of the horoscope
- Mutual reception between planets & houses
- The placement of the rulers in the 12 houses
- Assessing the condition of a house ruler
