

# Guiding Themes of Shadow and Light:

## Exploring the Dynamics of the Natal Chart

Each astrological sign encompasses light and shadow qualities and how these are expressed in each of us can have subtle differences depending on the makeup of our entire astrological chart. We will explore:

- Core themes and patterns contained within the natal chart
- How the various combinations of the archetypes work and create the dynamics and uniqueness of every individual's life experience.
- The many layers of the horoscope
